Camp Information

Please join us for our first collaborative skills camp sponsored by the Girls Lacrosse programs of both Northgate and East Coweta High Schools.

Athletes are encouraged to participate in this camp to build a foundation of Lacrosse skills or to enhance skills already in place. Attack and defensive skills such as passing, catching, shooting, cradling, defense positioning, and transition will be introduced and advanced depending on the skill of the participant. Most importantly, the campers will have a great time acquiring new skills and refining existing ones, while making new friends. Also, each camper will receive a NorthEast Coweta Lacrosse Camp t-shirt. The coaching staffs from both Northgate and East Coweta High Schools will lead the camp, along with the current players of both schools. Campers should wear appropriate clothing, and bring both tennis shoes and cleats. They will need a mouth guard, and bring a water bottle. If a player has their own stick and goggles, they may bring them, but soft sticks and balls will be provided.

If you have any questions, please contact Coach Walker, sheila.walker@cowetaschools.net or John Perkerson, john.perkerson@cowetaschools.net. We look forward to seeing you on the field
